8 UNITED STATES DISTRICT COURT
9 WESTERN DISTRICT OF WASHINGTON
10 AT SEATTLE

11 RICARDO MARTINEZ ET AL,
12 Plaintiffs,
13 v.
14 EASTSIDE FIRE AND RESCUE ET AL,
15 Defendants.

CASE NO. 2:24-cv-01706-TL

ORDER OF DISMISSAL WITH
PREJUDICE

16
17 This matter is before the Court on its own motion. On June 10, 2025, the Court granted
18 Defendant Eastside Fire and Rescue (“EFR”)’s motion to dismiss and dismissed Plaintiffs’
19 complaint with leave to amend. *See* Dkt. No. 24. The Court directed Plaintiffs to file an amended
20 complaint within thirty (30) days of entry of the Order. *See id.* Accordingly, any amended
21 complaint was due by no later than July 10, 2025.

22 Plaintiffs have not filed any amended complaint as directed. While Plaintiffs did file an
23 untimely motion for reconsideration prior to the 30-day deadline (*see* Dkt. No. 26), that improper
24 motion did not toll the deadline for Plaintiffs to file their amended complaint and has been

1 denied by the Court. Dkt. No. 28. Accordingly, the Court ORDERS this case DISMISSED WITH
2 PREJUDICE. Judgment shall be entered separately in accordance with this Order.

3 Dated this 22nd day of August 2025.
